

redeemed, the District shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar (or DTC while the Bonds are in Book-Entry-Only form) to call by lot Bonds, or portions thereof, within such maturity or maturities and in such principal amounts, for redemption. At least 30 days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be published once in a financial journal or publication, of general circulation in the City of New York, New York, or in the State of Texas. Such notice also shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, not less than 30 days prior to the date fixed for any such redemption, to the registered owner of each Bond to be redeemed at its address as it appeared on the 45th calendar day prior to such redemption date and to major securities depositories and bond information services. By the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof which are to be so redeemed, plus accrued interest thereon to the date fixed for redemption. If such written notice of redemption is published and if due provision for such payment is made, all as provided above, the Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price plus accrued interest from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the registered owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Bond Resolution.

THIS BOND OR ANY PORTION OR PORTIONS HEREOF IN ANY INTEGRAL MULTIPLE OF \$5,000 may be assigned and shall be transferred only in the Registration Books of the District kept by the Paying Agent/Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Bond Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner, or its duly authorized attorney or representative, to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner or any subsequent assignee, including all assignments from assignee to assignee prior to the ultimate registration of such Bond in the name of an assignee. A new Bond or Bonds payable to such assignee or assignees (which then will be the new registered owner or owners of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and

transfer of only a portion of this Bond, may be delivered by the Paying Agent/Registrar in conversion of and exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the conversion and exchange of other Bonds. The District shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such transfer, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto. To the extent possible, new Bonds issued in an exchange or transfer of the Bonds will be delivered to the registered owner or assignee of the registered owner in not more than three (3) business days after the receipt of the Bonds to be canceled, and the written instrument of transfer or request for exchange duly executed by the registered owner or its duly authorized agent, in form satisfactory to the Paying Agent/Registrar. The Paying Agent/Registrar shall not be required to make transfers of registration of this Bond or any portion hereof (i) during the period commencing with the opening of business on any Record Date and ending with the close of business on the next following principal or interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 30 days prior to its redemption date. The registered owner of this Bond shall be deemed and treated by the District and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the District and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

ALL BONDS OF THIS SERIES are issuable solely as fully registered bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Bond Resolution, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be converted into and exchanged for a like aggregate principal amount of fully registered bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, and bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate registered owner, assigned, or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Resolution. The District shall pay the Paying Agent/Registrar's standard or customary fees and charges for transferring, converting, and exchanging any Bond or any portion thereof, but the one requesting such transfer, conversion, and exchange shall pay any taxes or governmental charges required to be paid with respect thereto as a condition precedent to the exercise of such privilege of conversion and exchange. The Paying Agent/Registrar shall not be required to make any such conversion and exchange (i) during the period commencing with the opening of business on any Record Date and ending with the close of business on the next following principal or interest payment date, or, (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 30 days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Resolution that it promptly will appoint a competent and legally qualified substitute therefore, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly voted, authorized, issued, sold, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of said District, issued on the full faith and credit thereof; that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in said District, and have been pledged irrevocably for such payment, without limit as to rate or amount; and that this bond is further secured by and payable from an irrevocable lien on and pledge of the Net Revenues of the District's water and wastewater system, all as defined in the Resolution authorizing this Series of bonds, or any bonds issued to refund such Bonds.

THE DISTRICT expressly reserves the right to issue additional bonds payable from taxes and also secured by a pledge of and lien on the Net Revenues to be derived from the operation of its water and wastewater system. Said additional tax and revenue bonds may be in all respects on a parity and of equal dignity with this bond and the Series of which it is apart.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Resolution, agrees to be bound by such terms and provisions, acknowledges that the Bond Resolution is duly recorded and available for inspection in the official minutes and records of the governing body of the District, and agrees that the terms and provisions of this Bond and the Bond Resolution constitute a contract between each registered owner hereof and the District.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the facsimile signature of the President of the Board of Directors of the District and countersigned with the facsimile signature of the Secretary of the Board of Directors of the District, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.

Section 8. The Bonds authorized to be issued and delivered by this Resolution are
"Additional Bonds," as defined in Section 18 of the Series 1999 Bond Resolution authorizing the
Senna Hills Municipal Utility District Unlimited Tax and Water Works and Sewer System Revenue
Bonds, Series 1999. Therefore, except where inconsistent with the provisions of this Resolution,
Sections 8, 9 and 11 through 17, inclusive, of the Series 1999 Bond Resolution are hereby adopted

by reference, and the same shall apply with equal force to the Bonds ordered to be issued by this Resolution as if said Sections were fully set forth herein. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the ad valorem taxes and Net Revenues granted by the District under this Section, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the ad valorem taxes and Net Revenues granted by the District is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 9. TAX LEVY. (a) All taxes levied and collected for an on account of said bonds shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of said Bonds are outstanding and unpaid, the Board of Directors of the District shall compute and ascertain the rate and amount of ad valorem tax, based on the valuation of taxable property in the District, according to the latest approved tax rolls of said District, which will be sufficient to raise and produce the money required to pay the interest on and principal of said Bonds, as such interest comes due, and such principal matures, with full allowances being made for tax delinquencies and costs of tax collections. Said rate and amount of ad valorem tax is hereby ordered to be levied and is hereby levied against all taxable property in said District for each year while any of said Bonds are outstanding and unpaid, and said ad valorem tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes necessary to pay the interest on and principal of said Bonds, as such interest comes due and such principal matures, are hereby pledged irrevocably for such purposes, without limit as to rate or amount.

(b) At such time as the Net Revenues from the operation of the System (herein pledged) together with money derived from taxes shall have accumulated a surplus in the Interest and Sinking Fund in an amount at least equal to the principal of and interest on the Bonds scheduled to mature and accrue in the year next succeeding, then the annual tax levy may be reduced to such rate as will produce not less than twenty five per cent (25%) of the principal and interest requirements for each of the next succeeding years, until an actual experience of three (3) successive years shall demonstrate that the Net Revenues are wholly adequate to pay the principal of and the interest on the Bonds as the same mature and accrue, at which time the District tax may be wholly abated until further experience may demonstrate the necessity again to exercise the District's taxing power in order to avoid default in the payment of said Bonds and the interest thereon as the same mature and accrue.

Section 10. ADDITIONAL BONDS. The District expressly reserves and shall hereafter have the right to issue in one or more installments such other combination unlimited tax and revenue bonds as were authorized at the Confirmation Election and as may hereafter be authorized at

subsequent elections. Such bonds may be payable from and equally secured by a pledge of and lien on the Net Revenues of the System to the same extent as pledged and in all things on a parity with the lien of these bonds.

Furthermore, the District expressly reserves and shall hereafter have the right to issue in one or more installments the following:

1) Additional Revenue Bonds. The District expressly reserved the right to issue additional bonds payable solely from Net Revenues of the System, as set forth above, for the purpose of completing, repairing, improving, extending, enlarging or replacing the System, and such bonds may be payable from and equally secured by a lien on and pledge of said net revenues on a parity with the pledge thereof for these Bonds. Provided, however, that before the District can issue additional parity bonds payable solely from the revenues of the District's System, an independent certified public accountant shall certify that the Net Revenues of the District's system for the previous fiscal year have been equal to at least 1.25 times the average annual requirements for principal and interest of the then outstanding bonds of the District payable in whole or in part from the net revenues of the District's system, and a registered professional engineer shall certify that the anticipated Net Revenues of the District's system will equal at least 1.50 times the average annual requirements for payment of the then outstanding bonds of the District payable in whole or in part from the revenues of the District's system plus the additional bonds proposed to be issued; however, such certificates shall not be required for the issuance of additional bonds payable solely from ad valorem taxes or for additional bonds payable from both ad valorem taxes and net revenues of the District's system.

2) Inferior Lien Bonds. The District also reserves the right to issue inferior lien bonds and to pledge the Net Revenues of the system to the payment thereof, such pledge to be subordinate in all respects to the lien of these bonds and any previously issued combination unlimited tax and revenue or revenue bonds on a parity with the bonds of this series.

3) Special Project Bonds. The District further reserves the right to issue special project bonds for the purchase, or repair of water, sewer and/or drainage facilities necessary under a contract or contracts with persons, corporations, municipal corporations, political subdivisions or other entities, such special project bonds to be payable from and secured by the proceeds of such contract or contracts. The District further reserves the right to fund such bonds.

4) Refunding Bonds. The District further reserves the right to refund any of these bonds or additional combination unlimited tax and revenue or revenue bonds subject to prior redemption, or any bond the bearers of which have consented to have refunded, and the refunding bonds so issued shall enjoy complete equality of lien with the remaining bonds not refunded, if any such bonds remain, and the refunding bonds so issued shall enjoy the priority of lien enjoyed by the bonds being refunded.

Section 11. MAINTENANCE AND OPERATION; INSURANCE. While any of the Bonds or Additional Bonds are outstanding, the District covenants and agrees to maintain the System in good condition and operate the same in an efficient manner and at reasonable expense, and to maintain insurance on the System, for the benefit of the holder or holders of said bonds, of a kind and in an amount which usually would be carried by private companies engaged in a similar type of business and which will insure the District against claims for which it can be liable under the Texas Tort Claims Act, or any amendment thereof, or any similar law.

Section 12. ACCOUNTS AND FISCAL YEAR. The District shall keep proper books of records and accounts, separate and apart from all other records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the System, and shall have said books audited once each fiscal year by a Certified Public Accountant. The District agrees to operate the System and keep its books of records and accounts pertaining thereto on the basis of its current fiscal year; provided, however, that the Board of Directors may change such fiscal year if such change is deemed necessary by the Board of Directors.

Section 13. ACCOUNTING REPORTS. Within ninety days after the close of each fiscal year hereafter, the District will furnish, without cost, to any holder of any outstanding Bonds, or Additional Bonds, who may so request, a signed or certified copy of a report by a Certified Public Accountant, covering the next preceding fiscal year, showing the following information:

(a) A detailed statement of all gross revenues of the System and all expenses of operating and maintenance thereof for said fiscal year.

(b) Balance sheet as of the end of said fiscal year.

(c) Accountant's comment regarding in the manner in which the District has complied with the requirements of this Resolution and his recommendations, if any, for the changes or improvements in the operation and maintenance of the System.

(d) List of insurance policies in force at the end of said fiscal year, showing as to each policy, the risk covered, the amount of the policy, the name of the insurer, and the expiration date.

(e) The number of properties served by the System, if any, and the gross revenues from said System for said fiscal year.

(f) The number of unmetered customers of the System at the end of said fiscal year.

(g) The approximate number of gallons of water registered through the District's meters, and the number of gallons sold during said fiscal year.

Section 14. INSPECTION. Any holder or holders of any Bonds or Additional Bonds shall have the right at all reasonable times to inspect the System and all records, accounts, and data of the District relating thereto.

Section 15. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Resolution, except to the extent provided in subsection (d) of this Section 9, when payment of the principal of such Bond, plus interest thereon, to the due date (whether such due date be by reason of maturity, upon redemption or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Government Obligations which mature as to principal and interest in such amounts and at such times as will insure the availability without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the District with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon, shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Resolution, and such principal and interest shall be payable solely from such money or Government Obligations.

(b) Any monies so deposited with the Paying Agent/Registrar may at the written direction of the District also be invested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from such Government Obligations received by the Paying Agent/Registrar which is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the District, or deposited as directed in writing by the District.

(c) The term "Government Obligations" as used in this Section, shall mean direct obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, which may be United States Treasury obligations such as its State and Local Government Series, which may be in book-entry form.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Resolution.

Section 16. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS AND SUPPLEMENTAL INTEREST CERTIFICATES.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacements of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the District and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the registered owner shall furnish to the District and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the District may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the District whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Bonds duly issued under this Resolution.

(e) Authority for Issuing Replacement Bonds. In accordance with Subchapter D, Title 9, Government Code, this Section 16 of this Resolution shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the District or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 6(d) of this Resolution for Bonds issued in conversion and exchange for other Bonds.

Section 17. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION; AND CUSIP NUMBERS AND CONTINGENT INSURANCE

PROVISION, IF OBTAINED. The President of the Board of Directors of the District is hereby authorized to have control of the Initial Bond issued hereunder and all necessary records and proceedings pertaining to the Initial Bond pending its delivery and its investigation, examination, and approval by the Attorney General of the State of Texas, and its registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Initial Bond said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate on the Initial Bond, and the seal of said Comptroller shall be impressed, or placed in facsimile, on the Initial Bond. The approving legal opinion of the District's Bond Counsel and the assigned CUSIP numbers may, at the option of the holder, be printed on the Initial Bond or on any Bonds issued and delivered in conversion of and exchange or replacement of any Bond, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. In addition, if bond insurance is obtained, the Bonds may bear an appropriate legend as provided by the Insurer.

Section 18. COVENANTS REGARDING TAX EXEMPTION. The District covenants to take any action necessary to secure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in Section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Resolution, or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of Section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of Section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of Section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of Section 141(b) of the Code;

(e) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of Section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in Section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with:

(1) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of Section 1.103-13(b)(12) of the Treasury Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(g) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of Section 148 of the Code (relating to arbitrage) and, to the extent applicable, Section 149(d) of the Code (relating to advance refundings);

(h) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of Section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under Section 148(f) of the Code; and

(i) to maintain such records as will enable the District to fulfill its responsibilities under this Section and Section 148 of the Code and to retain such records for at least six years following the final payment of principal and interest on the Bonds.

(j) The District need not comply with the covenants and duties imposed by the provisions of Subsection h of this Section if:

(1) (a) the District is a governmental unit with general taxing powers;

(b) 95% of the Net Proceeds of the Bonds and all income from the investment thereof will be used for the governmental activities of the District;

(c) the aggregate face amount of all debt obligations issued or expected to be issued by the District or any subordinate entity in the calendar year in which the Bonds are issued (including the bonds but excluding obligations to be redeemed with proceeds of the Bonds within 90 days after the date on which the Bonds are to be issued) is not reasonably expected to exceed \$5,000,000; and

(d) the District otherwise satisfies the requirements of paragraph (4)(D) of Section 148(f) of the Code and the regulations and rulings thereunder, or

(2) the gross proceeds of the Bonds, not including gross proceeds which are held in a bona fide debt service fund, are expended for the purposes for which the Bonds were issued by no later than the day which is six (6) months after the date of issuance of the Bonds, and the rebate requirements are met with respect to amounts not required to be spent as provided in subclause (I) of paragraph 4(B)(i) of Section 148(f) of the Code. For the purpose of the foregoing sentence a bona fide debt service is a fund that is used primarily to achieve a proper matching of revenues and debt service within each bond year, and a bona fide debt service fund for a single issue must be depleted at least once a year except for a reasonable carryover amount (not to exceed the greater of (A) one (1) year's earnings on the fund or (B) one-twelfth of annual debt service). A bona fide debt service may be established for two or more issues, provided that the total amount in the fund at no time exceeds the total of the amounts that could be held in bona fide debt service funds established separately for each of the issues.

The District shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on form 8038G or such other form and in such place as the Secretary may prescribe.

In order to facilitate compliance with the above covenants (g), (h) and (i), the "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such Fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with Section 148 of the Code.

It is the understanding of the District that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or ruling are hereafter promulgated which modify, or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such modification or expansion, in the opinion of recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under Section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent

necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under Section 103 of the Code.

Section 19. NOTICES TO HOLDERS; WAIVER. Wherever this Resolution provides for notice to holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the address of each holder as it appears in the Registration Book.

In any case where notice to holders is given by mail, neither the failure to mail such notice to any particular holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to any other holders. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 20. DESIGNATION AS QUALIFIED TAX-EXEMPT BONDS. The District hereby designates the Bonds as "qualified tax-exempt bonds" as defined in Section 265(b)(3) of the Code. In furtherance of such designation, the District represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the District (including any subordinate entities) has not designated nor will designate obligations, which when aggregated with the Bonds, will result in more than \$10,000,000 of "qualified tax-exempt obligations" being issued; and (b) that the District reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year in which the Bonds are issued, by the District (or any subordinate entities) will not exceed \$10,000,000.

Section 21. ESCROW ACCOUNT AND CONSTRUCTION FUND. That the proceeds from the sale of the Bonds shall be deposited in the Construction Fund with the exception of the amount equal to accrued interest, and the amount allocated to capitalized interest, which shall be deposited in the Interest and Sinking Fund. The President of the Board shall forward a check to the Texas Commission on Environmental Quality in the amount of 0.25% of the principal amount of the bond issue to pay the Commission fee as specified in the Order of the Texas Commission on Environmental Quality Order on _____. The sum required by the Order of the Texas Commission on Environmental Quality of _____ shall be placed in an escrow account, the terms of which will prohibit the account holder from allowing withdrawal of funds for District use except on receipt of written authorization from the staff of the Texas Commission on Environmental Quality. Section 22. INVESTMENT OF FUNDS. The Board may deposit money held for the credit of either fund established by this Resolution in time or demand deposits and may invest such money in any obligation authorized by law at the time of such investment. Any such obligation shall mature, or shall be held subject to redemption, not later than the respective dates when money is expected to be required for the purposes intended. Obligations so purchased as an investment of money credited to either such fund shall at all times be deemed to be a part of such fund. The interest accruing on obligations so purchased or on such interest-bearing time deposits and any profit realized from the investment of money held for the credit of either such fund may be deposited only to the credit of the fund on which the interest is earned. Any loss resulting from the investment of money held for the credit of either such fund shall be charged to such fund. Both funds established by this Resolution shall be secured (to the extent not insured by the Federal Deposit Insurance Corporation) in the manner and to the fullest extent required by law for the security of District funds. It is further provided, however, that interest earnings on the Bond Proceeds which are required to be rebated to the United States of America pursuant to Section 10 hereof in order to prevent Bonds from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

No delay or omission by any holder to exercise any right or power accruing to such holder upon default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies mentioned in this Resolution shall be available to any holder of Bonds and shall be cumulative of all other remedies.

Section 24. CANCELLATION. The District may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the District may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be destroyed as directed by the District.

The District may, without the consent of or notice to any holders of Bonds, from time to time and at any time amend this Resolution in any manner not detrimental to the interests of the holders of the Bonds, including the curing of any ambiguity, inconsistency, or formal defect or omission herein or therein.
